

**CANADA'S LEADERS
IN INNOVATIVE
OUTDOOR EXPEDITIONS**

PLAYDATE OPTION

The Playdate option is for those of you that live close-by or already have a place to stay nearby and will not need to camp on-site or eat with us the next morning. You come to play and then you go home.

Experience the Ottawa River in a whole different way! Perfect for whitewater fans looking for something different and also for beginners that are a bit afraid of the bigger rapids.

Full Moon Rafting is our only weather dependent trip. When you book this experience, please keep in mind that if Mother Nature does not allow us to run that first night, we still have the second. So keep both nights open in your calendar just in case! ;)
