## SLEEPOVER OPTION

---

The Sleepover option is made for those that come from far to experience Full Moon rafting on the Ottawa River, but also those that need a little break from their usual routine.

Experience the Ottawa River in a whole different way! Perfect for whitewater fans looking for something different and also for beginners that are a bit afraid of the bigger rapids.

â€Full Moon Rafting is our only weather dependent trip. When you book this experience, please keep in mind that if Mother Nature does not allow us to run that first night, we still have the second. So keep both nights open in your calendar just in case! ;)

- ..... 1 Full Moon trip with all required equipment
- ..... Wetsuits
- ..... Photos
- ..... 2 nights of camping
- ..... Breakfast
- ..... Access to basecamp amenities
